

CREATING NEW OPPORTUNITIES FOR OUR YOUNG PERFORMERS AND DANCERS

To make this happen we need parents, other family members and friends to help.

Please come along on **Saturday 16 January at 10am at Haslewey** to an introductory meeting to find out more about what is planned and to see if you might get more involved. Helping can be done in so many different ways and these days with e-mail there won't be a need to spend endless hours around a committee table

One of the main reasons for setting up this voluntary run group is that it will be eligible to apply for funding from the lottery, local councils and other grant-giving bodies, which Haslemere Performing Arts cannot do at present.

This new group will be called **THE SHINE ASSOCIATION** and will be responsible for assisting with festival and other competition entries, the costume and prop collection, the annual dance show , the musical theatre group, planning workshops and demonstrations.

The meeting needs to adopt the draft constitution and confirm the appointment of the Committee. The draft constitution is on the website, please take a look at it and get back to Diana if you have any points that should be added or queries about it. We are looking for nominations for Chairperson, Secretary and Treasurer and 6 Committee Members. Each Committee member will be asked to take on a task such as fund raising, helping with the costume collection, organising festival entries and publicity.

Please consider offering to help, share a task with a friend or only for a year in the first instance in order to get the group off the ground.

FOR FURTHER DETAILS PLEASE TALK TO DIANA OR BARBARA
